SUBJECT: JOHN L. KELLEHER

Dear Mitch:

We had received information that the above named individual had been investigated for child molestation. We were told that he had been stationed at Castle Air Force Base.

We would like an Ineligible Volunteer Record Sheet completed, so we can identify this individual should he attempt registration in some other location. If you can get some information from someone in your council or from the military related to his height, weight, race, and other personal information this would be most helpful to us.

Thanks for your assistance in this matter.

Sincerely,

Paul Ernst, Director

Dear Bob:

I hate to bother you again, but wondered if you had been able to get me any information concerning this individual. This thing has gone round and round, because this individual seems to move often and was in the military.

The latest information we had was that he was being discharged for homosexuality from the air force base in Monterey, California. We were told that he had been in your council and what we are looking for is an Ineligible Volunteer Record Sheet.

Thanks for any help you can give us. If you do not have anything you can give us, please drop me a note so we can place this in our file.

Dear Dean:

We appreciate the copy of the letter which you sent to Mr. Kelleher indicating his registration had been suspended. It looks as if we cannot get too much additional information at this time, unless the Air Force can give you more information. We would like any additional material which we could receive.

Please complete the enclosed Ineligible Volunteer Record Sheet, so we can identify Mr. Kelleher. This should be completed with as much information as you have available. We would also like a copy of his adult application, if you still have this in your file. This would be helpful for future identification purposes.

Thanks again for your help in this matter.

Dear Paul:

As per our conversation, enclosed is copy of a letter that my assistant and the district executive hand delivered to John L. Kelleher on January 19, 1990.

What initiated the letter being written and delivered was first a call from Scott Waterman who is an investigative officer with the Air Force. Scott stated to me that he was investigating John Kelleher for child molestation that occurred two or three years earlier at a military facility outside our council territory. I believe he said it happened at Castle Air Force Base or in Europe, I don't recall which.

He stated that there was a preponderance of evidence that would conclude that Kelleher should not be associated with Scouts or with young boys.

Having received that information, I contacted my Area Director Steve Perry and then initiated the letter signed by our Council Commissioner which was delivered to Kelleher on the same day.

Kelleher is about 5' 10" tall, about 35 years old, has brown hair, heavy built and wears glasses. He was formerly registered in our Troop 178. While registered in the troop his major activities were with the Order of the Arrow.

Sincerely,

DEAN R. CRAFTON
Council Scout Executive

Dear Mr. Kelleher:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended.

We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

A refund of your registration fee is enclosed.

You should understand that the Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies.

We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

If you wish to have this registration reviewed, you may write to the Director of the Western Region, Richard Harrington, P. O. Box 3464, Sunnyvale, CA 94088-3464, explaining your facts supporting your claim that your registration with the Boy Scouts of America should be reinstated.

Sincerely yours,

RAYMOND E. HANSEN
